Hey Morris,

Also please add the following statement to the provenance section:

I have therefore established, to the best of my ability, that this item has not been illegally obtained from an excavation, architectural monument, public institution or private property.

Thanks, Joe

Hey Morris,

Can you please dress up this invoice and add a bit more information (on your letterhead); it must include a photo of the item front and back, see attached example. It should be signed by you.

If its OK with you I will send a company check, I'm racing the clock tomorrow because I'm leaving for SF for a meeting. My bank makes me go in person to sign for wires and I have no time for this until next week. What address do you want me to send the check to?

Joe
